Thanks. Yes I'd remembered Ksenija had done one, but forgot to mention it here! Thanks.

Hi Nicole,

Ksenija did one a few weeks back, and I'll update it with the new groups that are participating.

Subject: Call For Weekly Items Due COB Wed April 27th

Hello, Managers!

This is your weekly reminder to send Weekly Items our way. Now, I know this isn't your most exciting task of the week, so I'd like to highlight how much OLEM IO appreciates getting these updates from us on Thursday afternoon. They, in turn, peruse our entries for the most interesting and then pass them up the chain to Gina. So, if you're like me and sometimes grumble about doing these every week, take a minute to contemplate that what **you** write could end up in the Administrator's Office! Cool, no?

Please aim to send your Weekly entries to Richard and me by COB Wednesday the 27<sup>th</sup>.

As a reminder, the report is forward-looking with items occurring/continuing between May 2nd and May 13th. If an important meeting or item occurred in the last two weeks and we didn't have it on the report, feel free to submit. Also please remember we have a 60 day outlook for all speaking engagements and all public announcements (rules, memos, web postings).

Please submit entries for ALL outside presentations or meetings; documents or packages that need OLEM review or signature; and upcoming project/rule milestones and/or accomplishments. Attached, for your reference, is last week's Weekly.

Thank you!!!!

Meghan
